Dear Mr. Williams,

On behalf of our surviving U.S. military families we thank you for your kind support. Your generous donation in the amount of **\$5000.00 dated September 17, 2010 for the Castaways Poker Run** will be very beneficial in helping us continue with our mission of providing financial and educational assistance to surviving US military children and spouses who have lost their loved one during his or her service in Iraq or Afghanistan and our severely wounded service members.

Since our first applications were received in 2005 the CFSRF has provided more than \$538,000.00 in educational and financial assistance to the families of those who have lost a life or suffered a severe disability as a result of their sacrifices for our continued freedoms. Our Grant Committee is committed to helping many of our students continue with their education and have funds set aside to help them until they graduate. We realize that their loved ones would want the best for them and their futures and we hope to help them achieve their dreams

Thank you again for your patriotism and kind support. We encourage you to keep our military and their families in your thoughts and prayers.

Sincerely,

Monica Jones, Executive Administrator
